Exciting news regarding our Saturday August 28th meeting at the Potosi Brewery also home to the National Brewery Museum is in Potosi, Wisconsin located along the Mississippi River. (www.potosibrewery.com)

Because there will be drinking involved throughout the afternoon I have reserved a Badger Bus motor coach to take us to and from the event. There will be two pick up points two in Milwaukee and for those of us closer to Potosi and Madison there will be a pickup in Verona, Wisconsin. So just drop off your cars relax and chat to and from the Brewery. By the time we get back we should all be in fine shape to safely drive home. The Bus holds 47 people and with the bus full the cost will be $ 19.53 or about $20 per person. Pickup times at each location will be confirmed later.

We will arrive about noon and have a German style meal. Our speaker will be from the National Brewery Association. This will be held in their private meeting room. We will be given a guided tour of the Museum. Then it will be on to the Brew Fest with our tasting glasses. We will have the chance to taste over 30 micro-breweries offerings while a German band in the beer garden is playing. We will have the private room at our disposal until 4:00 p.m. If you tire or want to take a break you can do so in air-conditioned comfort.

The price of $40 per person is a great savings. The Brew Fest tickets alone are $35 without all the extras we are getting. Along with the tasting glass we will get a Potosi Brewery apron, we have a private room, lunch, speaker and tour of the museum.

This should be an exciting full day excursion for us all. This will be much more than just a usual meeting. If you have friends that have been thinking of joining our club ask them along. We will also be inviting the Chicago and Minnesota clubs to join us. We hope for a full bus of happy travelers. Our “challenge” to you is to fill the bus so a fun time can be had by all. I look forward to seeing you all there. ~ LaVorn Dvorak, Vice President
